Career Opportunities

Spectrum Group has been servicing the Lehigh Valley's real estate needs through various entities over the past 37 years. This has been accomplished through such companies as Real Living Spectrum Real Estate, Spectrum Homes, Inc. and various land development companies.

Our services range from assisting Buyers and Sellers in the real estate resale market through Real Living Spectrum Real Estate to building new homes for our clients through our new construction company, Spectrum Homes Inc. We also evaluate the remodeling possibilities for those who may wish to reshape their living space.

Spectrum Land Development has also played a great part in building new communities throughout the Lehigh Valley.

This is why Spectrum Group is always seeking new talent that has the desire for a career in one of the various facets of the real estate market.

We are seeking.....

Team Members for Real Living Spectrum Real Estate. If you ever dreamed about being in your own business and would like the freedom to control your own time and destiny, this may be for you. Openings are available for Pennsylvania licensed real estate salespersons (Independent Contractors) as well as Team Support Leaders. For an interview visit SpectrumHomeFinder.com "Join Us". In addition, if you don't currently have a Pennsylvania Real Estate Salesperson license, we can help you acquire one through our scholarship program.
